

**1982 Town Report**  
**EASTHAM**  
**Massachusetts**

There is a difference between the man who says there should be -- and the man who says I will. Once again, the man who says I will, shows those who say there should be. In Eastham there are those who not only say I will, but have done it. Not once, but three times.

The whole town, and all those who visit, Eastham say thank you to Wilfred Trahan. In 1980 Fred said it is needed, and he did it. In 1981 after damage had been done by vandals, he fixed it, and again those who enjoy it, big or small, silently say, thank you Fred for the Town Pump on the Village Green at the Windmill.

## Report of the Board of Selectmen

The year 1982 has been a year of change. Many changes have been tremendous, such as the widening of Route Six in Eastham to the quiet change in personnel of many boards, committees and employees in the Town.

The most profound change has been the finalization of years of working with the State Department of Public Works to finally make the major thoroughfare through Eastham wider and safer for the traffic that has become a reality, because of more people in Eastham, on the Lower Cape, and because of the Cape Cod National Seashore. We have been pleased the work has caused a minimum of inconvenience, to both residents and the traveling public, and wish to commend the Contractor, Capoldi Brothers, Inc. of Swansea, MA, and especially their project manager Mr. Michael Foley, for their cordiality and expeditious handling of the project.

Other changes that have occurred in Eastham have been the work of many people, such as the work of the Fire Study Committee who are studying the needs of the Fire Department. Some of their recommendations were adopted by the Town, such as the hiring of two full-time Firemen/Paramedics. The Rock Harbor Study Committee has been working to improve facilities at that vital area of the Town, and the Town has seen fit to follow their recommendations and set aside funds now and through the next few years for projects at Rock Harbor.

Ongoing projects for the Town have been the re-appraisal of all Real and Personal Property, which should end very shortly so for the

first time ever, we won't be able to set our tax rate until after six months into the fiscal year. We are very discouraged because this causes undue fiscal difficulties on the Town and some of its taxpayers. We hope this situation can be rectified in the near future and have asked the legislature for relief, so towns can set their tax-rate in September and not be penalized by having to borrow money to operate.

Several items that have been completed this year have been the exchange of land next to the Sanitary Landfill Area, thus insuring a proper buffer zone and/or an expansion, if that proves feasible. Cable T.V. has started into Eastham, and only awaits completion of Route Six work and work further down Cape to come to Eastham for the people. Work on the outside of Town Hall started this year, and will continue to protect and beautify the area and the grounds. We are grateful for funds from the Timothy Smith Trust to be able to do this work. We only wish we had a like fund for other municipal buildings which, we are afraid, may begin to suffer because of Proposition 2½.

We are very pleased to note Eastham has another first, with the election of Marion Hawkes as Easthams first woman constable. We are also pleased to welcome Joan Jordan to the Town Hall Staff, to give Building Inspector John Alexander a hand in his department to begin to address many problems that have not been able to be addressed because of the increased work load in that department, and we hope to see results of this action by the Town this summer.

Finally we wish to take this opportunity to thank the people of Eastham who have graciously accepted appointments to all the committees and boards, this year, because without them this town could not provide the ongoing programs, protection and planning so vital to the well-being of Eastham. Also we wish to express our sincere appreciation to all our employees, who sometimes are taken for granted, but perform so vital functions for the Town. We have a good team in Eastham - Voters - Committee people - Employees - we are proud of you - and Eastham and we are

Your Obedient Servants,

HOWARD W. QUINN, Chairman  
RUDOLPH E. ZANNONI  
WALLACE RUCKERT  
Board of Selectmen

# Report of the Board of Assessors

This year proved to be a very active year for the Board of Assessors and their staff. Because of Chapter 797 of the Acts of 1979, Eastham underwent a State mandated revaluation of all properties in Town to bring them up to 100% full and fair market value. This year also saw the passing, by the State Legislature, of several new laws governing assessing procedures, such as one designed to give municipalities in the Commonwealth a method to increase their levy limitation, restricted by Proposition 2½, without affecting the tax rate. The matter of Classification of all parcels by use (Residential, Commercial, Industrial, etc.) will be addressed in the near future, as mandated by the Commonwealth, when the Town's valuations are certified and approved by the state, a public hearing will be held regarding setting the tax rate, i.e., options for separate tax rates for Residential and Commercial properties, or one tax rate inclusive. Only then can the Selectmen set the tax rate, and then again, send to the State for approval. Only then, can the town post all the bills and send them to the taxpayers.

This recap of the procedures we endured this year under the new legislative mandates is self-explanatory. They all take time to be approved by the State. These procedures necessitated the passing of another law addressing "estimated" tax bills. Because 250 out of 351 municipalities in the Commonwealth revalued this year the proper inspection of each Town's data and values fell on the Department of Revenue, who, although doing their utmost, could not handle the surge. Eastham opted to ask for volunteer payments. The remainder of the taxes being paid in the Spring upon receipt of the actual tax bill. This worked well, but rather than repeat this process again, this Board of Assessors has contacted our local legislators with a proposal to accelerate the Tax Rate process, and to modify the revaluation mandates. The Towns on the Cape and the Massachusetts Assessors Association concur with these changes, but how loudly our voices are heard in Boston is another story.

After revaluation, the number of parcels in Eastham, increased to 6,170. Our tax rate per thousand dropped last year from \$15.90 to \$14.20, and this years rate (when it is finally approved by the Commonwealth) and because of an increased tax base, should be essentially lower.

It is hoped that after reading this report you understand why we Assessors and our staff faithfully attend regular seminars and special courses. This updates our knowledge and aids in our assisting taxpayers with various assessing and tax problems under our jurisdiction. We are sure that the changes in our staff and the constant educational updates provide our Town with the efficiency and exactness these times demand.

Respectfully Submitted,

RUDOLPH E. ZANNONI, Chairman  
HOWARD W. QUINN  
WALLACE RUCKERT

# **Report of the Board of Health**

The broad spectrum of the concerns of the Board of Health encompasses many areas, the general health of the community, general sanitation, healthful water supply, and salutary air quality.

We have had a very satisfactory experience with the Wellfleet Home Health Agency, who, for the second year, have been supplying the health services to the school and community formerly offered by the Town Nurse. The Council on Aging have been sponsoring in conjunction with the Agency blood pressure clinics, administering immunization sera for the elderly and other high risk people, and a colo-rectal screening program.

We continue to rely upon John Alexander, our building inspector, to serve as health agent and his thorough understanding of the relationship between state building codes and public health. Both he and Henry Lind, our natural resources officer, have been extremely helpful in areas near wetlands, where strict adherence to building and sanitary codes are our bulwark against fresh and salt water contamination.

The Board of Health looks to the County Health Department for the professional services of Dick Sturtevant, county sanitarian, for inspections of local food establishments, water supplies and areas for recreation and for human consumption.

In disposal of household waste and septage, we are continuing the services of Schofield Brothers, and the Department of Environmental Engineering inspections conducted by John Chase in our sanitary landfill area and at the septage facility. The on-site inspection conducted by the DEQE in July was followed by a two-year extension of the permissible use of this facility.

Progress in planning a more sophisticated and acceptable and healthful septage treatment plant to service the towns of Orleans, Eatham, and Brewster are continuing and 1983 should show some further development leading to a facility which will give us reassurance of continuity of a healthful environment.

Respectfully Submitted,

WALLACE RUCKERT, Chairman  
HOWARD W. QUINN  
RUDOLPH E. ZANNONI  
Board of Health

## **Report of the Barnstable County Health Department**

The Barnstable County Health Department has always directed its programs toward the "promotion of health" for the residents of Barnstable County. This year there has been greater emphasis on health education services both for health providers and for consumers, and on planning and organizational changes.

1. Health Counselling, screening, and blood pressure monitoring.
2. Continuing education programs for health agents, for community nurses, school nurses, for social workers, for multi-disciplinary groups.
3. Publicity and interpretation of services.

4. The County Health Department and the Cape Cod Community College co-sponsor the Health Resource Center. The 54 different users included three hospitals, five nursing homes, twenty-eight community agencies and ten professional group leaders. A Board of Directors is composed of representatives of community groups.

5. The two dental hygienists have examined and instructed 3,290 pre-school and school children, have given topical fluoride application to 364 kindergarten children, and supervised 1,394 children in the fluoride rinse program: there are some 5,000 children in the total rinse program.

6. All inspections, site surveys, and visits in the Environmental Health program involve evaluation and instruction by the public health sanitarians; other town-inspectors, business owners and home-owners may request their services.

The Staff of three full-time and two summer inspectors reported:

- 99 Housing inspections
- 63 Lead Paint surveys
- 286 Private water supply site inspections
- 457 Sub-surface sewage inspections
- 1256 Inspections of food service establishments and markets

The Laboratory Director-chemist, the bacteriologist and senior aide completed analysis of water samples:

- 1499 Private well samples
- 510 Surface waters
- 3616 Town water supply samples
- 105 Landfill monitoring well samples for Brewster and Yarmouth

A laboratory user fee schedule was instituted September 1, 1981. Consultation in the development of more extensive analysis of volatile organics was provided by Dr. Bernhard E. Bartels at Cape Cod Community College.

7. Distribution of vaccines to area depots continued.

The Epidemiological services provided for 159 communicable diseases included Tuberculosis, Hepatitis, Rocky Mountain Spotted Fever; surveillance of Lyme Arthritis continues.

8. Other services by public health nurses totaled 312 visits to clinic and non-clinic patients. Thirty-four programs for nurses were held. Consultation for school nurses, and consultation and supervision of home health agencies by agreement continued.

9. Under contract with the Mass. Department of Public Health, the team of social worker, physical therapist, nurse and three secretaries cared for 696 children in the Handicapped Children's Clinic. There were 1,242 visits to the clinic, 473 visits made by the Physical Therapist at home and school.

10. Medical Social Services included 360 visits at home and clinic, 55 patient-care conferences, 1,104 consultations, agency supervision and conferences.

Goals for the next year:

To add to capabilities of laboratory analysis.

To re-adjust programs in medical social work and dental hygiene because of loss of two positions on 7/1/82.

To review and strengthen documentation and evaluation process.

Respectfully Submitted,

ESTHER G. HOWES  
County Health Officer

(This is a condensation - the full report of the Barnstable County Health Department is on file in the Selectmen's Office.)

## **Report of the Town Accountant**

Honorable Board of Selectmen:

In accordance with Chapter 41, Section 61, of the General Laws, and in accordance with the General By-laws of the Town, I hereby submit a financial report of the Town for the year ended June 30, 1982, and a listing of all unexpended balances as of December 31, 1982. The report is presented in the form of various schedules:

Schedule A - Balance Sheet (Financial Position)

Schedule B - Debt Account

Schedule C - Summary of Receipts

Schedule D - Summary of Appropriations and Expenditures

Schedule E - Appropriation Balances 12/31/82

I thank the various departments and boards for their cooperation throughout the year.

Respectfully Submitted,

NATHAN APATOW  
Town Accountant

#### Injuries on the Fire Ground:

Civilians	1
Firefighters	2

The Year 1982 continued to show demands upon the departments medical services. However; the department was better prepared to handle the increase work load, with the hiring of two full time Firefighter/Paramedics. Jennifer Smith and Albert Johnson, both nationally certified paramedics, started working in July. They covered daytime shifts and made it possible to have on duty no less than two paramedics per shift. As a result of this "Manpower" increase, our dependency on others for medical help decreased by 90%.

In addition of a second Class I Ambulance and its Advanced Life Support Equipment, addressed the problems of our growing medical needs in the community.

We are extremely proud of the services we are able to provide through your generosity. It is also important to note, the donation of equipment, money and time from the Eastham Firemens Association. These people have been extremely supportive in the face of Proposition 2½, through their ongoing interest in their Town.

Once again our call firefighters, EMT's and Paramedics continue to support the full time personnel. These are the people who protect the community between six in the evening until six the following morning.

Demands are placed upon them constantly for education and recertification in order for them to maintain their high levels of expertise. Truly the phrase, "Grace Under Pressure", applys to this group of men and women.

Respectfully submitted,

Jack Austin  
Chief of the Department

# **Annual Report of the Orleans-Eastham Ambulance Association, Inc.**

Board of Selectmen  
Town of Orleans  
Town of Eastham

The Association has had a good year despite a 5½ % decline in total patients transported. This is due to several factors, such as a small reduction in transfers from rescue squads, charge for services, economic times etc. However, we had an increase in direct calls, transports beyond Cape Cod Hospital, off Cape, resulting in a 3% increase in mileage, increase in average patient miles from 53 to 58. With a transport of 1.6 patients per day average, we have the capacity to substantially increase our service to the towns with present equipment and personnel.

It is important to note that town funding has remained level for the past three (3) years, now represents 38½ % of our income compared to 45% last year, 68% four (4) years ago. Income increased by 16.8% due in part to increased mileage, rate increase April 1, 1982. With a low overhead, we are able to realize a good gain. By continuing our traditional role of doing the bulk of the transports, enabling the rescue squads to remain in town, our 1983 goal is to generate enough income to allow refunds to the towns. Our collection rate is 66%, in line with the experience of the nine (9) Cape rescue squads that charge for service. Within the bounds of reasonableness and compassion, we are making plans to more closely follow up our receivables.

We wish to thank the Selectmen for their support, the rescue squads for their cooperation, the many public spirited citizens and business that as friends of the Association, have made donations of time, money, and services in our behalf.

BUILDING AND EQUIPMENT

Our 1981 Ford Class I modular ambulance (purchased Aug. 1981) has performed well. We travelled 33,120 miles during the year, as of year end, it had 45,274 total miles. During the year, we installed a new fire band radio with antenna, an improved stretcher, a set of mast trousers, insulated and weather stripped our large roll-up doors for a total expenditure of \$2,300.00 to improve our facilities and cut costs.

PERSONNEL

Our very capable and long time paramedic, Dorothy Whatmough, decided upon a well earned retirement. Jennifer Smith, paramedic, joined the Eastham Rescue Squad, remaining in the family so as to speak. Paula Cullum, R.N. has entered the paramedic training program. We are very grateful to the dedicated, capable members of our squad that are the very heart of any successful ambulance operation.

# Report of the Natural Resources Department

To the Board of Selectmen:

The Town was fortunate this year to have an outstanding harvest of bay scallops from Town Cove this fall. The seed which set abundantly in 1981 survived the year, and approximately two thousand bushels of adult scallops were taken, mostly by family permit holders. Our records indicate that this is the first such harvest since 1972. Again, the variable nature of setting has left us with little seed for next year. We are hopeful that the propagation methods which we have successfully developed for quahogs may be applied to scallops to provide more stable harvests.

Oyster Sunday did reappear on the calendar this fall, with about 250 participants at Salt Pond. However, the availability of seed is still questionable, and the forecast for next year is uncertain.

The mussel transplanting areas have been expanded in response to increasing demand. Two shellfish grants have been issued during the past year for the culture of mussels.

Shellfish permit sales were as follows: A total of 2,200 permits were issued; 47% to residents and taxpayers, 33% to tenants or families renting in Eastham, 3% were issued to non-tenants. 4% were issued to commercial fisherman, 13% were issued free to residents over 65 years of age.

Legislation passed during this year to change control of sea clams and ocean quahogs from the Town to state control. Under these new regulations, certain waters of the Town are now open to hydraulic dredging for sea clams.

Recent changes in the hydrology of Nauset Inlet have resulted in different tidal exchange in the marsh system. Continuing research by Woods Hole Oceanographic Institute have contributed to our understanding of this phenomenon.

An April blizzard resulted in erosion of up to sixteen feet of the shoreline, but large quantities of thatch were deposited at the mouth of the Herring Run at Cole Road. This thatch served to provide a solid stream bed for the water and the herring proceeded up the run unobstructed. Large numbers of juveniles also passed out to sea during the summer and fall months.

We wish to express our appreciation to the many persons who have assisted and cooperated with our various projects.

Respectfully submitted,

Henry Lind  
Natural Resources Officer

## **Report of the Civil Defense Director**

This is the only department where lack of activity is welcome news to all.

Due to budget restrictions, only limited monthly meetings were scheduled.

During the coming year the department will be involved with the crisis relocation plans, and plans for some areas concerning the Plymouth Nuclear Power Plant.

Hopefully it will be another quiet year.

Respectfully submitted,

Robert L. Carey  
Civil Defense Director

## **Report of the Department of Veterans' Services**

To the Honorable Board of Selectmen  
and Citizens of the Town of Eastham:

This office has maintained a close liason with the federal Veterans Administration, particularly in the matter of pensions, and the various benefits currently available to veterans. The new 12% interest rate effective November 1982 on GI Veterans Administration Home Loans was agreed upon jointly by the Veterans Administration and the Department of Housing and Urban Development, and is in line with interest rate reductions, and in some instances lower, than those in the private sector. Any veteran who needs to apply for a certificate of eligibility may do so through this office.

During the past year 1982, many veterans and their families have been aided through Veterans' Benefits under Chapter 115 of the General Laws of Massachusetts, including many temporary hardship emergency cases.

Veterans and dependents of deceased veterans are advised to contact this office at the Harwich Town Hall for help in completing their just claim for benefits, services, and any entitlements legally due them.

This office is located at the Harwich Town Hall on Rte. 39 Harwich Center. It is advisable that you call for an appointment, if possible, before coming in so you may be taken care of with no waiting. The telephone number is 432-1083. We also serve the Towns of Harwich and Wellfleet.

Respectfully submitted,

Mary L. Rooney  
Veterans Agent

## Report of the Building Inspector

To the Board of Selectmen:

Closing the books on the 1982 calendar year shows we issued:

- 292 Building Permits, 93 of which were for new residences
- 151 Cesspool Permits
- 8 Buildings condemned
- 2 Chimneys condemned
- 1 Flag pole condemned

The income from Permit fees:

\$11,215.00	from Building Permits
\$2,420.00	from Cesspool Permits
13,635.00	Total

The total estimated increase to assessing shows a total of \$5,890,255.00 which includes fifty-nine new non-residential buildings.

The hiring of Joan Jordan has been a great boost to the record keeping for both the Plumbing and Building Inspection Departments. Hopefully with her continued help we will be better equipped to supply answers to questions on Building, Zoning, sewerage, well water, and other problems facing us today.

Respectfully submitted,

John H. Alexander  
Inspector of Buildings

# **Report of Town Counsel**

Recently the Town of Eastham has sustained an increase in litigation which has arisen out of challenges to the administrative decisions by its local boards and officials. It would appear that people are less willing to accept the decisions and more willing to litigate the matters in the Courts. This has caused an increase in the use of the legal budget and an additional burden on the town's volunteer boards by forcing them to expend time and energy in defending their decisions.

The Town of Eastham has presently seven (7) active cases pending in the Courts. These cases range from the interpretation of the Zoning By-Laws to the enforcement of Health regulations.

I wish to extend my appreciation to the many people who have cooperated with me this year and hope that the Town will succeed in recodifying its By-Laws in the near future.

Respectfully submitted,

James R. Wilson,  
Town Counsel

# **Report of the Archives Committee**

The Archives Committee again were present in the Town Hall three days a week during July and August to help persons using the town records for genealogical and other research. The Town Clerk was thereby assisted during a busy season and the valuable records safeguarded.

Although the Massachusetts Council on Arts and Humanities again did not make grants for the conservation and repair of vital records the Archives Committee underwrote from its town appropriation the conservation and repair of some of the original records that were returned from Orleans. The records of the town contain not only genealogical information but also land records and economic history not elsewhere available to researchers. The Committee intends to continue its work of preserving Eastham's precious heritage.

Respectfully submitted,

Abner K. Pratt, II  
Aline VanHouten  
Charlotte Galli

Archives Committee

## **Report of the Plumbing Inspector**

In 1982 we issued 176 plumbing permits for \$4,857.00 and have made 296 inspections.

We have been available at the Town Hall three mornings per week except in January, February and March when the office is open two mornings per week, to issue permits and answer questions pertaining to the State Plumbing Code.

Respectfully submitted,

Lawrence T. Baker,  
Plumbing Inspector  
George Ryan,  
Assistant Plumbing Inspector

# Report of the Historical Society

The Society wishes to report to the Town that all goes well. There has been an increase in the use of the Schoolhouse grounds by various civic groups such as the Nauset Painters, Eastham Painters and the Council on Aging. Our own Book Sale and Annual Antique Flea Market have been more successful than ever. We plan to continue with two summer programs and a new literary effort is now in progress. Our newsletter has grown from an annual to a bi-monthly so you can keep up with our year round activities.

Anyone interested in joining or helping with our Oral History project, newsletter, Museum Hosts or other activities, please let us know. The Society welcomes everyone, year round or summer resident. See some of our more recent acquisitions at the Schoolhouse and the Swift-Daley house.

## Report of the Windmill

The windmill has weathered one more season of sun, storm and visitors. The number and variety of visitors from all over the world never ceases to amaze us. One visitor this year was the widow of a windmill from the North Sea Islands of Germany. Collections and sales of cards have remained at a good level despite the economy. Families seem to be the most generous. Bus tours are more numerous than ever. The lawn and roses were pruned and fertilized this year for the first time in many years. Fred Trahan, once again, has taken care of the pump for us purely out of a sense of civic pride. Clyde Eagles, showing the same sense of pride in our community and generosity with his time, painted all the trim at the Mill, puttied the windows and repaired flashing at all doors and windows. Thanks also to the Maintenance Department for their efforts in keeping the Windmill and the green in good shape.

The windmill has been in town ownership for 55 years and owes its life and good health to many people who have pitched in when needed. The Mill stands as a sort of symbol of all those who have had the town's interests at heart. Come visit once in a while.

# Eastham Council on Aging

The Eastham Council on Aging was unanimously voted into existence as a Town Agency at the 1974 Town Meeting. The COA's primary responsibilities are as a resource for help to all persons 59 years or older. This help includes services and programs as needed or desired by Eastham Seniors.

At the Special Town Meeting in June 1975, there was a unanimous vote for the acquisition of land on Nauset Road for the purpose of providing a site for development by the Council on Aging.

This year has seen the beginning of a very active drive to raise funds to build a permanent home for the COA on this property. This will enable the COA to increase the services offered and make them available to the many people who are handicapped or infirmed and who cannot now negotiate the steps in and out of Town Hall. This concerted fund drive is sponsored by THE FRIENDS OF THE COUNCIL ON AGING, INC. It is their hope to raise enough money in donations, memorials, pledges and special projects and activities to have a building available on the COA's tenth anniversary.

Council members are appointed by the Selectmen and serve on an unpaid basis for a three year term with the Chairmanship rotating among the Council members. In addition, the daily activities in the COA office in the basement of Town Hall, are under the supervision of Sandy Szedlak, Director, and Gurlie Velander, Clerk. The activities include numerous weekly programs, classes and congregate meals. This meal is served through the sponsorship of Elder Services of Cape Cod and the Islands. Programs of an entertaining and educational nature often follow the meal.

This year Eastham has been extremely fortunate to have the part-time services of Cecille Carpenter as a Community Liaison for those seniors who are "house-bound" or not able to come into the COA offices. She has been able to provide much needed help and service to these people. Her salary was paid by a grant from the Massachusetts Department of Elder Affairs. This grant runs out in January of 1983 and at this writing the future of the important program is not known.

The following list of services rendered, also, suggests countless hours of volunteer time. We wish we could name them all and find a more adequate way to say "Thank you" for their help which is an absolute necessity.

This summary indicates the number or residents who were served by the COA between July 1, 1981 and June 30, 1982.

<b>Type of Service</b>	<b>Number of Different Individuals Served</b>	<b>Total # of Times Assist. Provided</b>
Blood Pressure Clinics	314	1007
Congregate Meal Site	143	1797
Flue Shot Clinic	215	215

## **Report of the Cape Cod Planning and Economic Development Commission**

### **WATER RESOURCES PROGRAM**

As established by federal legislation, EPA-funded 208 programs were terminated across the nation during 1982. The Barnstable County Finance Advisory Board, declaring water quality the priority issue in the County, funded the continuation of the water resources program through the County budget. CCPEDC continues to provide technical assistance to local governments and to maintain its comprehensive water monitoring program.

Over 1,600 private well samples were analyzed by the Barnstable County Health Department Laboratory and logged into a USGC computer system. This data pool is currently being evaluated by CCPEDC to determine water quality trends and zones of contamination across the Cape. At the close of 1982 CCPEDC was successful in raising money from the various Cape water utilities, the State Coastal Zone Management Program, and the Kelley Foundation for the acquisition of a gas chromatograph for the County laboratory. This instrument will enable water analysis for toxic organic chemicals which are suspected to be present in portions of the Cape Aquifer.

Also during 1982, as a result of a petition filed by CCPEDC, Cape Cod was designated by EPA as a "Sole Source Aquifer". This designation (the 12th in the nation) provides EPA review power of Federally funded projects.

## **REGIONAL SOLID WASTE PROGRAM**

The CCPEDC Solid Waste Advisory Committee has made significant strides in developing information that is essential to making decisions on the most appropriate method of solid waste disposal. A survey of the sixteen landfills on the Cape was conducted, a survey of all major energy users on the Cape was completed, preliminary proposals submitted by the private sector were evaluated, and town population and waste tonnage projections were developed. All of this research and analysis culminated at year's end with the publication of **Alternative Solid Waste Management Systems for Barnstable County**, a detailed cost analysis of 20 waste disposal alternatives. In addition, the report evaluates proposals submitted during the year by Energy Answers Corporation (SEMASS) and Tricil Resources, Inc. Several towns established solid waste committees to review the report and investigate their long-range options.

## **TRANSPORTATION PROGRAM**

The CCPEDC transportation staff provided technical assistance to local governments. The CCPEDC's Cape Cod Joint Transportation Committee and the transportation staff developed and Air Quality Plan and a Program of Projects List which the CCPEDC endorsed during 1982.

## **ECONOMIC DEVELOPMENT PROGRAM**

The year 1982 witnessed a resurgence in growth in the Commission's Economic Development effort. An analysis of the Cape's economic and demographic configuration was completed during the first quarter of the year. Entitled: "The Economy of Cape Cod", the report charted the ten and five year trends in the population and economic climate of Barnstable County and projected probable growth patterns. Demand for the report exceeded the Commission's expectations of a 250-copy printing, requiring a duplicative reprint by June of 1982.

## **COASTAL ZONE MANAGEMENT PROGRAM**

The CZM Program is funded by the U.S. Department of Commerce/National Oceanic and Atmospheric Administration and is administered on the state level by the Massachusetts Executive Office of Environmental Affairs. Barnstable County received its eighth round of CZM grant funding to continue the CCPEDC regional program on July 1, 1982, the Program was involved in the following activities:

The CCPEDC's CZM Advisory Committee met monthly to monitor and comment on CZM activities in Barnstable County.

Outer Continental Shelf Oil and Gas Lease Sale No's, 42, 52 and 82 were paid particular attention to during the federal review period.

An effort began to establish an Area of Critical Environmental Concern on the bayside of Eastham, Orleans and Brewster with those respective town conservation commissions.

Throughout the year, CZM continued to provide free technical assistance to all towns and many project proponents in Barnstable County.

## Report of the Finance Committee

To Residents and the Selctmen of the Town of Eastham

During the past year, the Finance Committee has met on the third Thursday of each month to transact all business before the Board and to make approved transfers from the reserve fund to cover emergency funding requirements of the town.

Commencing in February, the committee met twice weekly through the end of April in order to prepare for the Annual May Town Meeting.

This budget has been an extremely trying process due to this being the third year of Proposition 2½. Expense budgets have been level funded for three years resulting in a net loss of purchasing power due to price increases and inflation. Through it all The Finance Committee with the cooperation and total commitment of Town Officials, Department Heads and Town Employees have been able to recommend a 1983 budget that has not resulted in losses of service or personnel.

On this note, the Finance Committee would like to take this opportunity to thank all Town Officials, Department Heads and Employees of the Town of Eastham for both their understanding and cooperation in the preparation of this complex budget.

I wish personally to thank each and every Member of the Finance Committee for the many, many hours of unselfish work devoted to the Town of Eastham.

Respectfully submitted,

Benjamin A. Bartolini

Chairman

Oliver E. Coffin

Vice-Chairman

Karen J. Anderson

Stanley A. Burton

## **Report of the Zoning Board of Appeals**

To the Honorable Board of Selectmen:

The activity of the Zoning Board of Appeals is reflected in the following list of Public Hearings held during 1982:

- |    |  |                       |
|----|--|-----------------------|
| 1. | Kenneth W. Bergen<br>Alledged improper building permit                                 | Denied                |
| 2. | Elizabeth Hayes Pratt<br>Variance - side line  | Granted               |
| 3. | Robert A. Williamson<br>Variance - set back  | Granted               |
| 4. | William F. Reade, Jr. (Eagle Wing Motel)<br>Variance or Special Permit -<br>Pump House | Permitted to withdraw |
| 5. | Robert J. & Joanne B. Kaber<br>Decision of Building Inspector                          | Overtured             |

The following Personnel changes occurred this Year: Added to the Board was Joseph Gargolinski; resignation of Joan Willoughby, Clerk and Alternative Member.

Respectfully submitted,

Clarence P. Ehrhardt, Chairman  
Board of Appeals

## Report of the Planning Board

To the Voters of Eastham:

As noted in our annual report last year, we received the report of the Zoning By-Law Review Committee. Commencing in January many special meetings were held throughout the year to discuss its recommendatins and to formulate new zones and proposals for uses of property therein. Much work still remains before any extensive zoning amendments can be presented to the Voters.

Our regular meetings each month included six hearings for subdivisions creating 75 new lots and the signing of 12 "Approval Not Required" plans creating another 23 lots. In addition hearings were held for 3 road name changes.

The new fee structure adopted last year provided sufficient income to more than offset level-funded budget expenses.

Discussions were held on a wide variety of subjects including zoning by-law interpretation, use of substandard lots and evaluation of property within the Cape Cod National Seashore. Also, we met with the Selectmen regarding new proposals of the Dept. of the Interior in CCNS and possible land swaps to facilitate same.

The Board accepted the resignation of Mary Hopper with much regret and welcomed new member Susan Horton, appointed jointly with the Selectmen. As a result of Town Meeting action, board member Charles Deane was allowed to resume his position as Clerk.

Respectfully submitted,

Richard H. Nickerson, Chairman  
Frank Schumann, Vice Chairman  
Charles N. Deane, Clerk  
Susan B. Horton  
Nathan A. Nickerson III

# Report of the Board of Registrars

For the fourth year we have mailed census forms and the response from all the residents was wonderful. A large percent of the forms are in before the due date of February 15th.

Forms were sent to 1,484 family units this year. This is 54 units less than last year.

The following figures are from our records for 1981.

Number of residents January 1, 1982	3,544
Residents removed due to no response to census	87
Registered voters December 31, 1982	2,496
Registered voters December 31, 1981	2,394

Registered voters removed	
moving away	99
by death	17
no response to census	24
Party count December 31, 1982	
Democrats	326
Republicans	646
Independents	1,524

Special registrations of voters are held at stated times during the year. Notices of these times are posted in the town hall, the post office and published in the local newspapers. Residents may register any weekday (except Saturday) at the Office of the Town Clerk during regular office hours.

The Board of Registrars and the Town Clerk wish to thank all Eastham residents for their cooperation particularly since we can save a great deal of taxpayers money by not having to pursue those who do not respond to the census mailing. This compilation of residents is required by State Law each year and is truly to our benefit to know how many persons we have in our community.

Respectfully submitted,

Kathleen S.M. LaPlant, Chairman  
Phyllis Clark, Registrar  
Suzanne Chad, Registrar  
Jeanne Atwood, Assistant  
Helen Kreber, Assistant

# Report of the Personnel Board

To the Board of Selectmen and the Citizens of Eastham:

The Personnel Board, now at full complement with several new and dedicated members, has been meeting and carefully studying it's role and responsibilities under the Personnel By-Law.

Accordingly, we intend to respond promptly and judiciously to the concerns and needs of the community we serve. Our responsibilities to the Town as well as to the employees is accepted.

We have established new priorities. We believe that employee efficiency is directly related to good employee relations.

We have established an informal but regular liaison between members of the Personnel Board, Selectmen and the heads of Departments. This ongoing dialogue will promote a fuller sensitivity to administration problems and act as a conduit for employee concerns. We understand this plan has already been favorably received.

We are responding to the needs to up-date and revise various Personnel forms, files and Job Descriptions.

We look forward to the challenges of our office, welcome your suggestions and anticipate your cooperation and support.

Respectfully submitted,

Frederick Coe  
Craig Kreisberg  
Joseph Gosselin  
David Humphrey  
Joseph Rafalowski

# Report of the Dog Officers for the Year 1982

To the Board of Selectmen:

Total calls received	686
Complaints of stray dogs	414
Complaints of property damage	73
Complaints of livestock damage	18
Complaints of vicious dogs	49
Complaints of personal injury by dogs	15
Complaints of cruelty to dogs	11
Complaints of barking dogs	42

Report of injured dogs	22
Dogs transported to Pleasant Bay Veterinary Hospital, Harwich	5
Dogs transported to Eastham Veterinary Hospital	4
Dogs transported to Animal Rescue League, Brewster	7
 Total complaints issued at Second District Court	 222
Control law violations	153
License violations	55
Beach violations	14
Warnings issued	111
 Total court appearances	 49
Arrests warrants issued	15
Arrest warrants outstanding	1
 Penalties returned to Town by Second District Court (this does not include monies returned to the Town by Dog License fees)	   \$1,745.00
 Total Assists to Eastham Police Department	 63
Assists to Eastham Police Department outside of regular hours	 26
 Unclaimed dogs	 10
Dogs placed in new homes	8
Dogs transported to Animal Rescue League	2
 Selectmen's Hearing	 1

The total number of licensed dogs during 1982 was 717.

We express our gratitude for the help and cooperation of the Eastham Police Department, Nauset Kennel, Eastham Veterinary Hospital, and Pleasant Bay Veterinary Hospital.

Respectfully submitted,

Phillip P. Suchecki  
Judith J. Suchecki  
Dog Officers

# Report of the Inspectors of Animals

To the Board of Selectmen:

- I. The following is a summary of the annual inspection of livestock:
- |                  |    |
|------------------|----|
| Barns inspected  | 14 |
| Livestock count: |    |
| Sheep            | 3  |
| Swine            | 1  |
| Horses           | 17 |
| Ponies           | 7  |
- II. Animal bites reported and investigated 6
- Quarantines issued and released 6

Respectfully submitted,

Phillip P. Suchecki  
Judith J. Suchecki  
Inspector of Animals

## Report of the Gas Inspector

To the Board of Selectmen:

During the year 1982 I issued 61 permits and was required to make 70 inspections.

Respectfully submitted,

George F. Ryan  
Gas Inspector

# Report of the Highway Surveyors

We are pleased to report the Road Program started in 1980 is progressing even though at a very reduced amount - because of Proposition 2½. Instead of overlays we have begun a program of Oil Maintenance on certain roads to protect them, something that has not been done, because of the price of oil, for over 10 years.

The following roads were oiled this year: Alston Ave; Ocean View Drive, Quarterboard Lane; Seaward Lane; North Forty Road; Oak Leaf Road; Western Ave; Quail Cover Lane; Higgins Road; and Leaward Way, also part of Nauset Road to Old Doane Road was done.

Other projects had to be delayed because State Funds voted in past years cannot now be used until certain matching town funds are raised and appropriated. It was thought from all reports in the past these monies would not have to be raised, but changes made by the State at the last minute and over the past few years, has changed that and now town funds will have to be appropriated to be used to do certain work on Bridge Road, Herringbrook Road, and Samoset Road.

Again we are proud to bring to your attention the work done by our able crew, headed by Steve Douglas, Maintenance Chief his able assistant Martin Mickle and their crew. Their work has saved this town many, many dollars these past few years, and they have even put patches on the patches and coaxed their equipment to the limit but soon much of this equipment is going to have to be replaced, because the point of no return is going to be reached in this department. We need a Road Sweeper and one more man desperately in this department. We hope we can find the funds to provide them soon.

Respectfully submitted,

Howard W. Quinn, Chairman  
Rudolph E. Zannoni  
Wallace Ruckert  
HIGHWAY SURVEYORS

# **Report of the Information Booth**

The Information Booth once again had a successful season and was a very active place all summer. Each year our number of visitors increases for all types of information. For example in the year of 1967 our booth had 11,715 visitors in a total of 107 days of operation. In 1982 we served 23,415 visitors in a total of 105 days of operation. We have a hard working staff who are dedicated to their tasks. We would like to remind all Eastham citizens with brochures, rentals, or other descriptive material of their services to please bring a supply to the booth so we can properly serve you. This year the Town had installed two telephone booths for the convenience of the visitors.

Respectfully submitted,

Frank Schumann, Chairman  
Milton Brown  
Cornelia Terhune  
Marcia Nickerson  
Elsie Bengston

Information Booth Operating Committee

## **Report of the Handbook Committee**

To the Board of Selectmen:

The Eastham Vacationist Handbook Committee wishes to report during the past year over 25,000 booklets and 10,000 Town maps were distributed by our Information Booth, Town Hall, and various advertisers. It is hoped that these booklets and maps have been both informative and instructive to our residents and visitors.

The 1982 issue represented the 28th consecutive year that the Handbook has been published.

The members of our committee were as follows:

Frank Szedlak  
Robert Gilmore  
Siglinde Gilmore

Respectfully submitted,

Frank T. Szedlak, Jr.

## **Eastham Conservation Commission**

To the Board of Selectmen:

The wetlands of Eastham - the marshes, ponds and coasts - make our town unique. Administering these wetlands, under Mass. G. L. Chap. 131, Sec. 40 and the Eastham Town Conservation By-Law, is the function of the Conservation Commission. It is our charge to impose conditions on wetlands - related activity which protect wetland interest from adverse affects. Some of these interests are: public and private water supply, ground water supply, flood control, storm damage prevention, pollution protection, protection of land containing shellfish, and protection of fisheries, wildlife and recreation.

To accomplish this task we make on-site inspections twice a month, and hold public hearings twice a month on applications for wetland-related activity, after which we issue orders stipulating the best way for the activity to occur. In the past year the Commission has acted on fifty (50) applications.

Our program of seedling distribution continues to grow.

A sub-committee is exploring possibilities of public education.

An excellent descriptive brochure on herring and the herring run was donated to the Commission this past year. Placed in a specially made box (also donated) at the Cole Road herring run, the brochures were free to the public and were very well received.

We are also continuing to look at the possibilities of designating certain areas of Eastham as being of critical environmental concern.

Landowners who wish to donate land for conservation or recreation are reminded such gifts would be most welcome. Please contact the Chairman of Natural Resources Department for additional information.

Our thanks to our volunteers and supporters for their assistance in the past year.

Respectfully submitted,

Catherine Barton  
Chairman

## **Report of the Library Trustee's and Librarian**

We are happy to report that your Library was the recipient of much help through the Trust fund income and generous contribution of the Friends of the Eastham Library, which brought to the fruition, a number of projects planned for calendar year 1982. These gifts helped pay for the new locked shelving, housing the geneological collection next to the newly located circulation desk. This move opened up for freer traffic flow, the central section with the new shelving on the west wall. An attractive and much needed ceiling fan was also installed. Work has been started on a safer approach to the back entryway which will provide a sizeable-railed platform and wider stairs, in 1983.

The use of the Library by residents and non-residents alike continues to grow by leaps and bounds, necessitating, at some future date, an expansion of our physical plant. Based on statistics at the end of November, it appears that our circulation will exceed the 50,000 mark.

During the months of July and August the Head Librarian and her staff handled approximately one thousand procedural transactions per day, resulting in the circulation of twenty-thousand items. That this feat was accomplished, is due to the competence and professionalism of Jane Eldridge and her excellent staff made up of qualified personnel and our wonderful volunteers.

We were sad to see the departure of Ruth Cummings. Technical Services: Mary Ann Millette, Assistant Librarian, who is now Children's Librarian at the Providence Public Library; and Mary Ann Nutting our first Children's Librarian. Ruth and the two Mary Ann's were as well liked and outstanding in the performance of their respective duties. We were fortunate to find qualified professional replacements for these excellent people namely: Sue Norkeliunas. Summer Assistant Librarian; Fran Driscoll McLaughlin, Children's Librarian, and Helen Mourton, Professional Librarian, in Technical Services.

With a bicycle-rack promised by the Non-Resident Taxpayers Association; numerous Memorial and individual gifts; the aquisition of Regional Volumes, beautiful Children's Books, and special plantings for our grounds from the "Friends", we have indeed been fortunate.

This has been a good year, in spite of many fiscal restraints within which the Library must operate, since our budget is approximately 2.2 of the total operating expense of the Town of Eastham. The professional leadership and careful administration of Library affairs by Jane Eldridge, combined with a most compatible Board of Trustees, has, hopefully, brough you, the taxpayers, a full measure of public service in the realm of extended hours, Children's Programs, and fine reading.

Respectfully submitted,

Abner K. Pratt II, Chairman  
Beth Bishop  
Winifred J. Franklin  
LIBRARY TRUSTEES

Jane Eldridge  
LIBRARIAN

# Report of the Beach Sticker Committee

There was another decrease in usage of all town owned beaches this year. The tally of cars using our parking lots showed a decrease from 42,500 to 37,500 for 1982. Again, we contribute the decrease in use by those daily vehicles. However, this year showed a marked decrease in our summer visitors. The number of taxpayers who continue to use our beautiful bay beaches remains approximately the same.

Again, the lack of parking at the Ocean beaches continue to be as restricted as in previous years, and stickers are still being used for alternate access and parking. The National Seashore now has a development plan under consideration to provide limited parking at Coast Guard Beach, with plans for a parking area in the vicinity of Doane Rock for 350 cars and 5 buses, and plans for 155 cars and two buses at Nauset Light Beach. These plans continue to hinge on full funding by the United States Congress, and at this writing, funds have not been voted.

We are pleased to report all area beaches have continued to be used as much as in the past. A wise move to protect Hemenway was made this year, by putting a Beach Sticker Attendant at the landing. This was one area which had been unattended in the past. We have also provided more coverage at the Town Hall on Saturdays and Mondays to help the clerk selling stickers.

Once again, we wish to convey our appreciation to all the personnel in this department for their help. And again, we wish to remind taxpayers it is not necessary to replace your sticker unless you replace your current vehicle.

Respectfully submitted,

Howard Q. Quinn, Chairman  
Rudolph E. Zannoni  
Wallace Ruckert

BOARD OF SELECTMEN

# **Report of the Eastham Non-Resident Taxpayers Association**

The Eastham Non-Resident Taxpayers Association, Inc. (ENRTA) is a non-profit corporation formed for the purpose of working toward the betterment of the Town of Eastham by co-operating with Town Officials and other citizen groups. All Eastham non-resident property owners and taxpayers are eligible for membership. Approximately half of the non-resident taxpayers are now members. Of these, approximately half of the members are Massachusetts residents of other towns though some 26 other states and provinces of Canada are also represented.

The size of this group's contribution to the town is substantial so the desires and opinions of this organized group are important to the town. The Selectmen and town department heads have been willing to listen, inform and react favorably to this group. In Many instances the Association's officers have acted as liaison between the non-resident taxpayers and the town officials.

The board of Selectmen especially have been most generous with their time to inform the Association officers of town activities and to attend our regular meetings. They make appropriate comments and answer questions from any Association member. The Selectmen are in their Town Hall office on Saturday morning during the Summer to meet with and handle any problems non-resident taxpayers may have. They can also be reached during their regular morning hours, Monday, Wednesday and Friday. They have been willing to set up appointments in addition to their regular office hours.

The Association appreciates this and the willingness of the Police and Fire Departments and other town employees for the co-operation and courtesy extended to non-resident taxpayers.

In 1983, the regular Association meetings will be held at 8:00 P.M. at the Town Hall on July 9 and August 27.

Officers for 1982/83 season are:

James T. MacKensie, President  
Robert A. Denver, Vice President  
Eleanor M. Watson, Secretary  
O. Mason Burrows (Sam), Treasurer

## **Report of the Eastham School Committee**

Superintendent Michael J. Mackin joined us in July following the School Committees' search for a strong educational leader. Mr. Mackin's goals for our school system have received unanimous endorsement of the School Committees.

The Eastham School Committee's thanks are directed to Principal Dan Shay for his fine leadership, to the staff for its dedication to our Eastham students, and to the Parents Group and the citizens of Eastham for the excellent support for our school.

Respectfully submitted,

Marcia C. Nickerson, Chairman  
Carolyn Ambroult  
Christine Austin  
John Butler  
Edward Murphy

## **Report of Superintendent of Schools**

It is with excitement and enthusiasm that I begin my duties as superintendent of the Nauset Public Schools. I wish to thank the many citizens of Eastham who have welcomed me during my first few months and I hope to repay this welcome by providing continued strong educational leadership during the years ahead.

I am impressed overall with the quality of education in our schools and I believe we are doing a fine job of educating a diverse population. To illustrate that point, I would like to offer a few facts:

- 94% of Nauset's students attend school every day
- Nauset Schools overall rank above the 90th percentile nationally in student achievement testing
- This year in the state mandated Tests of Basic Skill for Nauset High School freshmen 99% met the standards in mathematics, 99% met the standards in reading, 97% met the standards in writing, 100% met the standards in listening.

We have much to be proud of and I believe several groups deserve to share the credit for that success. One group is our Teachers and administrators. They are fine people who are committed to providing quality education. So too are our support personnel, including custodians, cafeteria workers, and secretaries. Each, in a fashion, adds to the success of our school system.

Another group is you, the citizens, who have supported the schools and demanded quality education for each of our students. I am impressed with the standards you have set and I stand committed to meeting or exceeding them.

My educational goals for the future include revisions where needed in our curriculum, an emphasis on staff development, and an all out effort to more actively involve the community in the process of education. You can help me achieve these goals in several ways and I call on you for assistance. Seek opportunities to get more involved in Nauset education. Perhaps you have time to serve as a school volunteer - call me; perhaps you have a particular hobby or skill to share with our youngsters - call me; perhaps you have suggestions for improving our schools - call me. Our schools belong to all the citizens of the town and while you have asked me to direct them, I need your help to be fully effective. Our future is our students and I ask you to share in a commitment of continued quality education for all of them.

Respectfully submitted,

Michael J. Mackin  
Superintendent of Schools

# Report of the School Principal Eastham Elementary School

It hardly seems possible that it's time, once again, for the town report and to reflect back on the previous school year. There are many facets that go into making the program at Eastham Elementary School such an excellent one.

We had new staff join us in 1981-82: Miss Katherine Stillman, Special Needs Aide; Mrs. Kay Stewart-Morton, secretary to the Eastham School Committee; and returning from leaves of absence, Mrs. Katherine Meyers, Art Teacher; and, Mrs. Betty Horton, Kindergarten Teacher. In July, we welcomed Mr. Michael J. Mackin as our new Superintendent of Schools.

In the fall, our school sponsored an inservice program for teaching personnel dealing with "Assertive Discipline." It is a communication skill utilized for classroom management and allows children to assume responsibility for their behavior with consequences. We were joined by staff from other school systems on the Cape.

Federal monies, received annually, are used to offset the local budget. These funds have been used to pay for a teacher aide, purchase two reading machines, and buy new materials to enhance our map and globe skills.

During the summer, a final effort was made to recondition the classroom heating and exhaust systems. All machines were calibrated and brought up to standard.

An important supporter of our excellence is the Eastham Parents Group. Through their efforts, we entered a float in the Windmill Weekend parade and won the Overall Trophy. Among the group's other contributions are: publication of our school newsletter; sponsor of our Whale Watch trip; and contributor of a brand new color television set to the school. Past president, Mrs. Judy Kostas, has turned over her gavel to our present co-chairmen, Mrs. Jayne Badera and Mrs. Rose Derow. We are extremely grateful for all the fine work the parents do for our school.

Our building continues to be a community resource, and is used in some capacity by the Boy Scouts, Girl Scouts, Cub Scouts, Brownies, Nauset Adult Education, and adult basketball teams.

I wish to thank the school staff, the parents group, the administration, the personnel at the Town Hall, our school committee, and the community-at-large for all you contribute to the excellence of our school program.

Respectfully submitted,  
Daniel Shay

## **Report of the Cape Cod Regional Technical High School District**

The year 1982 has been a busy and productive one for our school and its students as evidenced by the following sampling of the years activities and accomplishments.

A group of our students spent a week in February in Belgium on a student exchange program that was both pleasurable and beneficial. In March, members of two senior-year classes manufactured and sold quarterboard signs to raise funds for a solar kiln to dry green limber. This project earned about \$2,100.00. Lisa Streib, a senior, won a national award given by the American Cancer Society announced in March. Another student, Tammy White, was chosen by the Military Order of World Wars to be a delegate to their annual convention in Valley Forge.

The construction of a new Nauset Regional School District Administration building by our students in Painting and Decorating, Carpentry, Masonry, Air Conditioning, Plumbing and Horticulture should be completed by the time you read this report.

Our faculty continues to exhibit initiative and imagination. In August they sought permission to conduct an alcohol safety education program for our student body. At the end of the school year, Mary Haynes, a member of our English department returned

from England, having spent the year on a Fulbright Teacher Exchange. David Hope, a teacher from England, replaced Mary for the year and everyone, staff, faculty, and students were pleased with his impact on the student body and by his warmth and understanding.

In February we entered into a cooperative agreement with Cape Cod Community College whereby students in their Electronics Technician program would use our facilities and equipment after our school hours. In exchange, some of our more able students would enroll at the College during their senior year for advanced classes. Last spring, we were obliged to eliminate Driver Education because of Proposition 2½ but we have been able to reinstate the program on an after-school, student-fee-supported basis.

In April, the School Committee met for dinner and discussion with the chairmen and chairwomen of our advisory committees. Each of our shop programs has an advisory committee which bring experience and understanding of the crafts and trades for which our students are preparing themselves. We are grateful for the work of all members of our advisory committees and for the contributions of the Cape Cod Tech Crusaders Parents' Association.

We, the School Committee, began 1982 by concentrating on our 1982-1983 budget and in the last two months of the year, by working with the members of finance committees of our twelve member towns as they helped in preparing for 1983-1984. We wish to thank them for their support, advice, and understanding in this difficult task.

Finally, Cape Cod Tech exists to serve all citizens of all twelve member towns; we welcome input from all. Please do not hesitate to call us (432-4500, 771-2600).

Respectfully submitted,

James H. Quirk, Jr., Chairman  
Cape Cod Regional Technical  
High School District Committee

Thomas A. Collins  
Arthur C. Nickerson

## ATHLETIC EVENTS

- (1) On two Tuesdays, Eastham held playdays with Orleans. These were considered as informal competition days. On Friday, July 18th, Chatham Boys were hosted by Eastham Boys then played an organized softball game.
- (2) Eastham was the host for the Girls' Lower Cape Jr. Olympics for the 16th consecutive year. The boys participated in Orleans.

**AWARDS ISSUED**

First, Second and Third place ribbons were given out on special event days for both Girls and Boys in the three age groups. For certain events, "Appropriate" Prizes were also given; i.e. a frisbee was given to 1st place winners in the frisbee contest, and a basketball was given for the Pepsi-Hotshot winner.

Trophies were also awarded at the Family Picnic (Thanks to the Eastham Fire Dept. for donating the trophies)

	<b>GIRLS</b>	<b>BOYS</b>

12 + over	Colin Eitelbach	Lynne McLuckie
Tennis Instructor: Edward Benz		

Instruction for youngsters were given on Monday & Thursday during playground hours. Adult tennis was offered the same evenings from 6:00 to 8:00 p.m.

## **GIRLS SOFTBALL:**

Director, Paul Underhill. The league basically adopted Little League rules with some adjustment. The age groups were 7 & 8, 9 & 10, 11 & 12 year olds. Not enough interest was shown for an older age group. By adding to the set rules the program was much improved. 7 & 8 year old coach was Lisa Stubbs, assisted by Tracey Beale. We had two 9 & 10 year old teams, coached by Maureen Nickerson, Debbie Clark, Sonia Joseph, Coleen Burns and Sue Clark. The 11 & 12 year old coaches were Joanna Stevens and Jenny Fulcher. A special word of thanks goes to Paul Underhill and his coaches for a job well done.

## **LITTLE LEAGUE & PONY LEAGUE**

Mike Bove, Director, Jack Dooley, Interm Director. Five teams participated in the Nauset Little League - Two Major, two Minor one Farm team. Seventy three boys and girls took part. A sincere thanks to volunteer coaches Ted Sandstrom, Andy Napolitano, Matt Abbott, Rose Abbott, Jay Pleava, Ron Chad, Carl Nyman, Sally Hart. There were two Pony League teams with twenty five youngsters under the tutorage of Phil Alexander, Ollie Coffin, Wayne Fleming and Jack Dooley. Hank Curtiss served as Unpire-in chief.

## **SOCCER PROGRAM**

Shawn Shea, Director, assisted by Mike Bove. A total of thirty-five youngsters registered for the Sunday afternoon soccer program. Twenty-six 3rd, 4th and 5th graders and nine 6th, 7th and 8th graders.

## **GIRLS & BOYS BASKETBALL**

Girls Directors, Roxanne Hayes & Don Kunhert. Boys Director, Jim Packett and Leo Miller. A total of twenty-five girls and forty-seven boys took part in the basketball program. Girls program was held Monday evenings and boys on Wednesday evenings.

Respectfully submitted,

Ronald Chad, Chairman

Elizabeth Erickson

# **Report of the Insect Pest Superintendent**

To the Board of Selectmen:

The past year saw a decline in the Gypsy Moth population in various parts of town which have been hardest hit the past few years. New movement of the Gypsy Moth shows it moving from the northwest toward the Ocean. Through an annual egg mass count I will be able to determine the extent of their movement and what the expected populations may be.

In the spring I held two informative seminars with the Extension Service explaining the concerns of the pest. Those who attended seemed to understand the pest a little better.

The annual problem of Pine Tip Moth, Tent Caterpillar, and Fall Webworm continue to be monitored.

The few remaining American Elms which grace our streets are surviving the struggle against Dutch Elm Disease. I hope to start a program in 1983 to aid in their survival.

Respectfully submitted,

Shawn E. Shea  
Deputy Tree Warden and  
Insect Pest Coordinator

## **Report of the Harbormaster**

This past year a committee was formed to study the possibilities of improving Rock Harbor. The committee is asking this year for a float at the launching ramp. This float will help to relieve congestion on the ramp itself, as people will be able to move their boats away from the ramp to load equipment, and passengers onboard.

In 1982 a total of \$6,255.00 dollars was taken in from thirty-eight slips and four temporary docks. The cost was \$1,400.00 in maintenance repairs and \$800.00 for salary, with the remaining \$4,055.00 going into the town General Fund. Within the next year the committee hopes to come up with more suggestions for improvements.

RESPECTFULLY SUBMITTED,

Charles Miller  
Harbormaster

# Report of the Wiring Inspector

To the Honorable Board of Selectmen:

In accordance with Section 6 and 7 of the General Laws of Massachusetts I submit the following report.

During the fiscal year 1982 the following inspections were made:

Temporary	61
Rough Wiring	225
Service & Meters	197
Occupancy Permits	164
Advisory	15
Fire	8
TOTAL	670

TOTAL RECEIPTS \$6,710.00

I extend my sincere appreciation to all Town Departments and Personnel for their fine cooperation during the past year.

Respectfully submitted,

William J. Cook  
Inspector of Wires

# Report of the Lower Cape Cable T.V. Associates

To the Board of Selectmen:

On behalf of Lower Cape Cable, I'm glad to report that we've exceeded our franchise obligations for the Town of Eastham. For 1983, we intend to stay ahead of schedule and complete the initial cabling of Eastham next year.

During 1982, we completed the Bridge Rd. neighborhood and the area south of the Collins' cottages. About 65% of the homes in these areas now subscribe to cable.

For 1983, we intend to proceed north along Herring Brook Way into the heart of town. We also anticipate that the completion of Route 6 construction will allow us to serve that road and the roads along the way that qualify under our line extension policy. In all, we intend to provide cable service along streets that pass better than half the year-round residents of Eastham before the end of 1983.

The company also notes with appreciation that the Eastham Planning Board and various Town Departments have sought to have cable included in new housing developments and other new construction in the town.

Respectfully submitted,

Robert C. McNamara, III  
President,  
Cape Cable T.V., Inc.  
Lower Cape Cable's Managing  
General Partner

# **Report of the Wellfleet Home Health Agency**

The major development affecting the Agency this year was the expansion of services to Eastham residents. As a result, the population and the number of patients served almost doubled. Geographically, the Agency covers 77.33 square miles with a population of 7,167. Priorities were set, additional staff hired, budgetary changes made, and most important, services to patients maintained during the transition period.

The number of nursing visits grow as patients are discharged sooner from the hospital, require more sophisticated care and the population of persons 60 years and older increases. Census statistics for the Cape indicate that the number of elderly rose 83.4% between 1970-1980. The largest increase were those 65 years to 74 years. The percentage of elderly in the three towns represents a significant portion of the total population. (Eastham 35%, Wellfleet 30%, Truro 22%). Because the elderly have more health problems, there will be further need for services.

Services that need to be evaluated now and in the future include Physical Therapy, Occupational Therapy, Medical Social Work and Home Health Aides. Therapy services continue to grow. Physical therapy visits have reached the point where it may prove more economical to hire a therapist on staff and continue to contract for services as a back-up should demand necessitate an additional therapy and medical social work. Referrals requesting occupational therapy have increased. Also the nurses role encompasses a great deal of social work and counseling which actually goes beyond the scope of nursing.

Despite contracts with three separate agencies for Home Health Aides, the availability of aides remains a serious problem. The number of cases presently served and those not being met indicate that a home health aide is needed on staff. The addition of these services would allow the Agency to provide the full complement of home health services.

Due to an expanding caseload, the time for one nurse to perform the dual roles of community nurse/school nurse became

an impossible task. The position has become two separate entities. There are now four nurses providing the home visiting services and community services. Two nurses serve the three elementary schools. The school nurses are able to spend more time in the schools with a greater involvement and contact with students, parents and teachers.

The Agency has become more visible within the communities. Its telephone number and after hours number is listed in the phone directory under each town. Brochures have been distributed in key places to increase public awareness of services available to them.

For fiscal '82-'83, a single budget was developed. Each town has assessed its portion based on population. When population figures and number of visits per town were compared, the percentages were almost identical. It is important that voters realize that approximately 80% of the total Agency budget is reimburseable and the funds asked for at town meeting do not reflect the true cost to the town.

The following is a summary of Agency programs for the Town of Eastham for the year 1982:

Home Nursing Visits	
Disease Control	738
Health Promotion	153
Maternity	9
TOTAL	900
Office Nursing Visits	95
Total Nursing Visits	995
Physical Therapy Visits	286
Speech Therapy Visits	-
Home Health Aide Visits	431
Hours	(1001)
Blood Pressure Clinics	
(Persons served)	1,207
Flu Clinic	
(Persons served)	187
Colo-rectal Screening	
(Persons served)	69
Well Child Clinic	-
Fees Collected	<u>\$32,067.06</u>

It is said that change can be indicative of progress. Rapid changes has occurred within the Agency this past year. It is now time to evaluate the appropriateness and effectiveness of these changes. The rough edges need to be polished so that we can continue to go forth and meet our primary objective of providing quality care to our patients and our communities.

Respectfully submitted,

Eileen P. Cabral, R.N.,  
Administrator  
David Voymas, Chairman,  
Professional Personnel Committee

## **Final Report of the Eastham Charter Commission**

The Eastham Charter Commission was elected by the citizens of Eastham at the annual town election of May 7, 1981 under the provisions of the Home Rule Amendment to the Constitution of the Commonwealth and of Chapter 43B of the Massachusetts General Laws.

The Commission has held two years of open meetings, public hearings, met with town residents and employees, written and received public correspondence, thoroughly studied and examined our own town government and that of other communities and employed a professional consultant for brief structural guidance.

A Preliminary Report was presented to the voters and a number of changes recommended by citizens were incorporated into the Final Report which has been distributed.

Careful reading of the proposed Eastham Home Rule Charter will show that the Commission has chosen to continue the present successful structure of local government in the new document. The open town meeting is continued, thus allowing all interested voters to have access to the affairs of the town.

The Board of Selectmen is continued as the central policy and decision making body in the town. The Board will continue to exercise the executive powers of the town and the role of the Selectmen as the policy leaders has been enhanced.

Most of the existing officials, committees, commissions and boards have been preserved in the Charter, including an elected: Board of Selectmen, Moderator, Town Clerk, Constable, Planning Board, Recreation Commission, Board of Library Trustees, School Committee and member to the Nauset Regional School Committee.

The Charter Commission believes that the proposed Eastham Home Rule Charter can provide a new beginning toward a better town meeting, stronger leadership, improved financial procedures and planning and sounder administration.

The Charter Commission thanks all town officials, employees and citizens who have assisted in completing the Home Rule Charter.

The Charter Commission strongly recommends the adoption of the Charter and hopes that everyone will vote for adoption at the annual town election on May 17, 1983.

Respectfully submitted,

John J. Clarke, Charman  
Joyce Brookshire  
John Curtiss

# ANNUAL TOWN MEETING EASTHAM WARRANT

Commonwealth of Massachusetts

Barnstable, ss

To Marion Hawkes, Constable of the Town of Eastham, in the County of Barnstable:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of said town qualified to vote in Elections and Town affairs to meet at the Nauset Regional High School Auditorium on Monday, the Third (3) day of May next at 7:00 o'clock in the evening, then and there to act on the following articles in this Warrant and to meet in the Town Hall at 12:00 o'clock noon on Tuesday, the Eighteenth (18) day of May next, then and there to elect the following town officers:

Moderator (one year)

Board of Selectmen-Assessor-Health (three years)

Library Trustee (three years)

Planning Board Member (five years)

Recreation Commission (five years)

Regional School Committee Member (three years)

Elementary School Committee (three years)

Constable (three years)

POLLS TO OPEN AT 12 NOON AND MAY CLOSE AT 7 P.M.

**Resolution 1.** Be it resolved that John Alexander having served the Town of Eastham since May 1968 through December 1981 in the position of Constable, and having served well and ably, special recognition is hereby given and the appreciation of this meeting expressed for his dedicated service to the Town.

**Resolution 2.** Be it resolved that this Meeting supports a law that would automatically allocate 50% of the increases in revenues from state income, sales, and corporate taxes to be returned directly to the municipalities to fund local services in order to reduce and stabilize the property tax.

**Article 1.** To see in what manner the Town will vote to dispose of the refunded dog tax, or take any action relative thereto.

By Eastham Library Trustees

Sel: Approve 3-0 for books, magazines and audio-visual materials.

Fin. Com: Recommend \$1,397.13 to the library 7-0

**Article 2.** To see if the Town will vote to transfer and appropriate \$1,736.00 received from the Commonwealth for the use of the Eastham Public Library to be available to the Trustees for the purchase of books, and audio-visual materials in conformance with provisions of Section 19A or 19B, Chapter 78 1970, or take any action relative thereto.

By Library Trustees

Sel. Approve 3-0

Fin. Com recommend \$1,736.00 7-0

**Article 3.** To see if the Town will assume liability in the manner provided by Sections 29 and 29A of Chapter 91 of the General Laws, as most recently amended, for all damages that may be incurred by the Department of Environmental Quality Engineering of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, great ponds, harbors, tidewaters, foreshores and shores along a public beach, (Including the Merrimack and Connecticut Rivers), in accordance with Section 11 of chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefore to the Commonwealth.

By Board of Selectmen

Sel: Approve 3-0

Fin. Com: Recommended 7-0

**Article 4.** To see if the Town will vote to authorize the Town Treasurer with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue and/or reimbursements of the fiscal year beginning July 1, 1982 in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 4, and to issue a note or notes as with General Laws, Chapter 44, Section 17.

By Treasurer

Sel: Approve 3-0

Fin. Com: Recommended 7-0

**Article 5.** To see if the Town will vote to amend the By-Laws, Section XII as shown on page 4 of Volume I Town of Eastham By-Laws (said Volume on file in the Town Clerk's Office) by deleting the requirement that the By-Laws may be amended only at an Annual Town Meeting and so that Section XII will read as follows:

“These By-Laws may be amended by a 2/3 vote of those present and voting only. . .”

By Charter Commission

Sel: Not Approved 3-0

Fin Com: Not Recommended 5-0-1

**Article 6.** To see if the Town will vote to approve the appointment of a member of the Planning Board, Board of Appeals, Conservation Commission, Personnel Board, Recreation Commission, School Committee, Finance Committee, Council on Aging, Buildings, Land and Parks Committee, or Archives Committee, to serve as compensated Board Clerk for his/her respective Board, Committee, or Commission, under the provision of M.G.L.A. Chapter 268A, Section 21A., or take any action relative thereto.

By Board of Selectmen

Sel: Approve 3-0

Fin. Com: Recommended 6-0

**Article 7.** To see if the Town will vote to adopt the following By-Law: DOGS ON PUBLIC BEACHES

Except for Seeing Eye dogs, it shall be illegal to have a dog on any public bathing beach within the Town of Eastham between the hours of 9:00 A.M. and 5:00 P.M., from June 15 through Labor Day. Any person violating this By-Law shall be subject to a fine of \$10.00:

or take any action relative thereto.

By Dog Officer

Sel: Approve 3-0

Fin. Com: Recommended with a fine of \$10.00 5-1

**Article 8.** To see if the Town will vote to amend its Dog Restraint By-Law adopted under **Article 5.** of the December 19, 1974 Special Town Meeting by increasing the \$5.00 fine for a first offense to \$10.00, or take any action relative thereto.

By Dog Officer

Sel: Approve 3-0

Fin. Com: Recommended 6-0

**Article 9.** To see if the Town will vote to accept all unexpended funds from the Eastham Grange to be used to establish a fund to be known as the Eastham Grange Educational Aid Fund. Said fund to be used to aid only students interested in furthering their education in Husbandry and \$200.00 be granted each year to not more than two students who must be residents of the Town of Eastham. Said funds to be administered by the Board of Selectmen who shall serve as Trustees, or take any action relative thereto.

By Eastham Grange

Sel: Approve 3-0

Fin. Com: Recommended 7-0

**Article 10.** To see if the Town will vote to accept from the Eastham Firemen's Association, Inc., a Lifepak 5, Cardiac Monitor/Defibrillator to be used by the Eastham Fire Department, or take any action relative thereto.

By Eastham Firemen's Association, Inc.

Sel: Approve 3-0

Fin. Com: Recommended 6-0

**Article 11.** To see if the Town will vote to accept as a gift from the Eastham Police and Fire Associations, a pre-school playground facility to be located on Town-owned land at Wiley Park, or take any action relative thereto.

By Eastham Police and Fire Association

Sel: Approve 3-0

Fin. Com: Recommended 5-0

**Article 12.** To act on the Annual Operating Budget, including recommendations and reports of the Selectmen, Finance committee and other Town Officials, and to see if the Town will vote to raise and appropriate or transfer from the Federal Revenue Sharing Bank Account, the Overlay Surplus Account, Waterways Management Fund, or the Olde Mill Operating Account and from other available funds and accounts sums of money for the same, or take any action relative thereto.

By Board of Selectmen

Sel: Recommendations will be made by line item at Town Meetings.

Fin. Com: Recommendations appear on individual line items.

Fin. Com: Recommended 6-0

**Article 56.** To hear the reports of committees and to do or act on anything which may legally come before this meeting.

By Anonymous

You are directed to serve this Warrant by posting attested copies thereof at the Post Office in Eastham and the Post Office in North Eastham seven days at least before the date of holding said meeting.

Hereof, fail not and make due return of this Warrant and your doings thereon to the Town Clerk at the time and place of holding said meeting.

Given under our hands and seals this Twentieth day of April in the year of our Lord, One Thousand Nine Hundred and Eighty-Two.

LAURA L. FLANDERS, Chairman  
HOWARD W. QUINN  
RUDOLPH E. ZANNONI  
Board of Selectmen

# **TOWN OF EASTHAM ANNUAL TOWN MEETING MINUTES MAY 3-5, 1982**

Pursuant to the provisions of the foregoing warrant, the voters assembled in the Nauset Regional High School Auditorium, and there being a quorum present, the meeting was called to order by the Moderator, Ralph L. Earle, Sr. at 7:00 P.M.

The call and service of the town meeting were read by the Town Clerk and there being no objections, the reading of the articles was omitted.

Jeff Havlick, Harold Jennings and Norris Shook were appointed tellers and sworn to the faithful performance of their duties by the moderator.

The following resolutions were unanimously supported by action of the Town Meeting:

**Resolution 1.** Be it resolved that John Alexander having served the Town of Eastham Since May 1968 through December 1981 in the position of Constable, and having served well and ably, special recognition is hereby given and the appreciation of this meeting expressed for his dedicated service to the Town.

**Resolution 2.** Be it resolved that this meeting supports a law that would automatically allocate 50% of the increases in revenues from state income, sales, and corporate taxes to be returned directly to the municipalities to fund local services in order to reduce and stabilize the property tax.

**Article 1.** Voted: to transfer and appropriate to the Library Expense Account the amount of \$1397.13.

Passed by Unanimous Voice Vote

**Article 2.** Voted: to transfer and appropriate to the Library Expense Account the amount of \$1736.00.

Passed by Unanimous Voice Vote

**Article 3.** Voted: to assume liability in the manner provided by Sections 29 and 29A of Chapter 91 of the General Laws, as most recently amended, for all damages that may be incurred by the Department of Environmental Quality Engineering of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, great ponds, harbors, tidewater, foreshores and shores along a public beach, (Including the Merrimack and Connecticut Rivers), in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefore to the Commonwealth.

Passed by Unanimous Voice Vote

**Article 4.** Voted: to authorize the Town Treasurer with the approval of the Board of Selectmen, to borrow money from time to time in anticipation of the revenue and/or reimbursements of the fiscal year beginning July 1, 1982 in accordance with the provisions of the General Laws, Chapter 44, Section 4, and to issue a note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 4, and to issue a note or notes as with General Laws, Chapter 44, Section 17.

Passed by Unanimous Voice Vote

**Article 5.** Voted: to Indefinitely Postpone.

Unanimous Voice Vote

**Article 6.** Voted: to approve the appointment of a member of the Planning Board, Board of Appeals, Conservation Commission, Personnel Board, Recreation Commission, School Committee, Finance Committee, Council on Aging, Buildings, Land and Parks Committee, or Archives Committee to serve as compensated Board Clerk for his/her respective board, committee.

Passed by Unanimous Voice Vote

**Article 7.** Voted: to adopt the following By-Law: DOGS ON PUBLIC BEACHES -Except for Seeing Eye Dogs, it shall be illegal to have a dog on any public bathing beach within the Town of Eastham from June 15 through Labor Day. Any person violating this By-Law shall be subject to a fine of \$10.00.

Passed by Hand Count 202 Yes

78 No

**Article 8.** Voted: to amend its Dog Restraint By-Law adopted under Article 5 of the December 19, 1974 Special Town Meeting by increasing the \$5.00 fine for a first offense to \$10.00.

Passed by Majority Voice Vote

**Article 9.** Voted: to accept all unexpended funds from the Eastham Grange to be used to establish a fund to be known as the Eastham Grange Educational Aid Fund. Said fund to be used to aid only students interested in furthering their education in Husbandry and \$200.00 be granted each year to not more than two students who must be residents of the Town of Eastham. Said funds to be administered by the Board of Selectmen who shall serve as trustees.

Passed by Unanimous Voice Vote

**Article 10.** Voted: to accept from the Eastham Firemen's Association, Inc. a Lifepak 5, Cardiac Monitor/Defibrillator to be used by the Eastham Fire Department.

Passed by Unanimous Voice Vote

**Article 11.** Voted: to accept as a gift from the Eastham Police and Fire Associations, a pre-school playground facility to be located on Town-owned land at Wiley Park.

Passed by Unanimous Voice Vote

**Article 12.** Voted: to act on the Annual Operating Budget including recommendations and reports of the Selectmen, Finance Committee and other Town Officials, and to transfer and appropriate \$85,315.00 from Federal Revenue Sharing Accounts for Police salaries. transfer and appropriate from the Overlay Surplus \$7,116.00 to the Reserve Fund, transfer and appropriate \$2,197.00 from the Olde Mill Operating Account to fund the Olde Mill Salary and Olde Mill Expense items. transfer and appropriate \$939.00 from the Waterway Management Fund to the Harbors and Landings Salary and raise and appropriate \$1,809,250.00 for the remaining line item budget amounts for FY 1983.

Passed by Unanimous Voice Vote

Article 12 amended to reflect transfers voted, to raise and appropriate 1,713,683.00.

Passed by Unanimous Voice Vote

## **RESOLUTION TOWN OF EASTHAM**

In the Year of Our Lord, One Thousand Nine Hundred and Eighty Two, this Resolution was presented at the Annual Town Meeting of the Town of Eastham and was passed by a Unanimous Voice Vote (save two).

Resolutions memorializing the President and Congress of the United States to propose a mutual nuclear weapons moratorium with the Soviet Union and memorialize Congress to transfer the funds for nuclear weapons to civilian use.

Whereas, the United States and the Soviet Union are engaged in nuclear weapons race and are testing, producing and deploying nuclear warheads, missiles and delivery systems; and

Whereas, the Congress of the United States are expending huge sums of money for such testing, producing and deploying of nuclear warheads and weapons; now therefore be it further

Resolved, that the Town of Eastham assembled at town meeting memorialize the President and Congress of the United States to immediately initiate and enter into a mutual nuclear moratorium with the Soviet Union and be it further

Resolved, that the Town of Eastham further memorialize the Congress to transfer all funds appropriated for the construction, testing production and deployment of nuclear warheads, missiles and delivery systems to the domestic betterment of the American way of life; and be it further

Resolved, that copies of these resolutions be transmitted forthwith by the Town Clerk to the President of the United States, the presiding officer of each branch of Congress, and to the members thereof the Commonwealth.

A True Copy  
Attest:

Lillian Lamperti  
Town Clerk

## **SPECIAL TOWN MEETING MINUTES MAY 4, 1982**

**Question #1**

Do you approve of the adoption of an amendment to the constitution which removes the present constitutional prohibition against the use of public funds to aid or mainain private primary of secondary schools.

Yes 438	No 1281	Blanks 95	Total 1814
---------	---------	-----------	------------

**Question #2**

Do you approve of the adoption of an amendment to the constitution to allow the legislature to enact laws authorizing the state courts to impose the death penalty on the conviction of crimes to be specified by law. The proposed amendment would provide that no provision of the state constitution may in the future be construed as prohibiting the imposition of the punishment of death.

Yes 1015	No 717	Blanks 82	Total 1814
----------	--------	-----------	------------

**Question #3**

Do you approve the proposed law that would require that before construction or operation of any nuclear power plant or low-level radioactive waste storage or disposal facility in the Commonwealth, the legislature must make certain findings and a majority of voters must approve the new facility at a statewide election.

Yes 1072                      No 662                      Blanks 80                      Total 1814

**Question #4**

Do you approve of a law that requires a refundable deposit be paid for certain beverage containers sold in Massachusetts.

Yes 1288                      No 483                      Blanks 43                      Total 1814

**Question #5**

Shall the Secretary of the Commonwealth of Massachusetts inform the President and the Congress of the United States that it is the desire of the people of Massachusetts to have the government of the United States work vigorously to negotiate a mutual nuclear weapons moratorium and reduction, with appropriate verification, with the Soviet Union and other Nations?

Yes 1353                      No 368                      Blanks 93                      Total 1814

There were 1814 votes cast in this Election, with this representing approximately 73% of the registered voters. The polls closed at 8:00 P.M. and the ballot box stood at 1814, the Total registration at the close of registration for the election:
